SVBR Member News - July 2019

[President's Message](#)

Happy Summer SVBR members,

As most of us are just putting plans together for summer vacations, SVBR and VAR are partnering up to gather school supplies for our local elementary schools for the next school year. This will be very similar to the food drive but we will be donating from a list of requested school supplies. Myself and other members of the Board are starting to distribute bags and the supply list to area offices. **All donations can be brought to the August 29th lead base paint class.** If you can't join us for the class please send your school supplies in with a fellow member so we can get them distributed and off to the area classrooms. Giving back to our community is "Who we R".

After the last Ethics class many of you have reached out asking about the SVBR grievance process. [Click here](#) for more information. Our goal as a Board is to work things out among each other and to live by the Golden Rule so that this process does not need to come into play.

We had an amazing turn out for the first ever Southern Vermont Broker's Class in June. Congratulations to those who have completed both the class and passed the exam. Good luck to those who are still studying for the exam.

We are now less than a year away from wrapping up our 2018-2020 CE requirements. Don't wait until the last minute to get your credits. Please see the side bar for upcoming classes.

Sincerely,
Betsy Wadsworth, President
